RECORDING ASSESSMENT

Make determination of how often you would like to record your assessment accrual. We accrue for assessment so that parishes can prepare financially for their annual assessment. Since assessment will not be invoiced until the fall for the prior fiscal year, the accrual will record the expense and the liability for the assessment in the proper accounting period.

Run Assessment Report. Most of the QuickBooks now have an assessment report memorized already.

Calculate the amount due for assessment.

Record Entry

On June 30 the end of the fiscal year, the amount in account 251 should equal your total due for assessment that fiscal year. Account 251 is Assessment Due Current Year.

On July 1, we do a reclass to move the amount from 251 – Assessment Due Current Year to account 250 – Assessment Due Prior Year.
