

*Give blood.*

Every 2 seconds someone  
in the U.S. needs blood.

## St. Peter Claver Catholic Church Blood Drive

September 18, 2020

1:00 PM – 6:00 PM

410 Jefferson St. Lexington, KY 40508

The Kentucky Region of the American Red Cross is poised to collect over 50,000 fewer blood components in 2020 than 2019.

Donations from African Americans have dropped by nearly 50% since COVID-19 first rose to prominence.

We are all in this together - donate blood to ensure that everyone has access to a life-saving resource.

All Red Cross blood donations are being tested for COVID-19 antibodies. Learn more about how your blood donation can help with our COVID-19 relief effort, and make an appointment to give at [www.redcrossblood.org](http://www.redcrossblood.org)
