## "GOD'S PLAN FOR A JOY-FILLED MARRIAGE" SEMINAR

What is Christian marriage, anyway? The "God's Plan for Joy-Filled Marriage" seminar is designed to address this question, presenting a spiritual, biblical vision of the nature of marriage and sexual love. Based upon the teaching of Pope St. John Paul II, couples will learn how marriage is even bigger than their dreams, and is the key to unlocking the meaning of life and who we are as men and women. Understanding this Catholic teaching on marriage and sexuality will better prepare couples for the lifelong vows they will make to God and one another.
