INTRODUCTION

The Lay Employees' Pension Plan of the Diocese of Covington and Lexington (the "Plan") has been made available to provide you and your family additional income during your retirement years. All benefits in the Plan are in addition to your benefits from Social Security.

This booklet has been prepared to provide you with a summary description of the principal features of the Plan. We hope that you will read this information carefully. It explains the Plan in non-technical language...but it does include terms that may be new to you. You may find it helpful to refer to the list of definitions before reading further.

Your rights are governed by the Plan Document and not the descriptions in this booklet. If there are inconsistencies or ambiguities between this document and the actual provisions of the Plan, the Plan documents will govern. If you have any questions regarding the Plan, please contact Nyhart at 1-888-901-2090. Employees of the Diocese of Covington may also call the Finance Office or employees of the Diocese of Lexington may contact the Human Resources office.

Other retirement benefits, in the form of employee salary reduction 403(b) accounts, may be available through the Diocesan Payroll Department.

NORMAL RETIREMENT BENEFIT (continued)

Because retirement benefits are funded in part by contributions made by employees participating in the plan, some portion of the benefit paid will be exempt from income taxes. The exempt portion is based on formulas provided by the IRS.

Normal Retirement Benefit Example:

Following is an *example* of how your monthly pension benefit payable for your lifetime is determined. A final determination of your benefits will be based on your employment history and your age when your benefits are actually distributed.

Retiree: Age 65 with 10 years of Credited Service.

Step 1: Benefit earned during participation:

EARLY RETIREMENT BENEFIT

After reaching age 55 and completing 10 years of service, a Participant may retire and elect to receive an immediate monthly benefit equal to the Participant's Accrued Benefit reduced 0.5% for each month by which the Participant's Early Retirement Date precedes his Normal Retirement Date.

IN-SERVICE RETIREMENT BENEFIT

A Participant who has completed 5 years of plan participation and has either (1) attained age 65; or (2) attained age 60 and has completed at least 30 years of employment, may either retire or cease making contributions and elect to receive an immediate monthly benefit equal to their accrued benefit without reduction.

VESTING

You are always 100% vested in the value of the amount you have contributed to the Plan. Upon completion of 5 years of Credited Service, you become 100% Vested in your Accrued Benefit.

EARLY WITHDRAWAL FROM PLAN

If you cease working for a Participating Employer (or cease plan participation and elect to take your contributions) with fewer than 5 years of Credited Service, you will receive an amount which equals your contributions plus the interest earned.

If you cease working for a Participating Employer (or cease plan participation) after completing 5 years but less than 10 years of Credited Service, you may elect to receive your contributions with interest. However, if you do so, you **will forfeit your Vested** rights to the employer-paid portion of your Accrued Benefit and you will **NOT** be allowed to rejoin this Plan any time in the future.

If you cease working for a Participating Employer (or cease plan participation) after completing 10 or more years of Credited Service, your contributions are retained to fund your retirement benefit.

DEATH BENEFITS

The following outline describes the death benefits provided by the Plan as well as the conditions which qualify for benefits:

- 1) **Eligibility:** If death occurs after you satisfy requirements for a vested benefit and after being married to your spouse for at least one year.

Beneficiary: Spouse or estate.

Benefit: At your surviving spouse's election; either a single sum payment of your accumulated contributions to the Plan, with interest; or a 50% Joint and Surviving Spouse Annuity, reduced 0.5% per month for the first 120 months and 0.08333% per month for each additional month by which your date of death precedes your Normal Retirement Date.

DEATH BENEFITS (continued)

2) **Eligibility:** If death occurs as an unmarried Participant or prior to completing 5 years of Credited Service.

Beneficiary: Designated beneficiary or estate, if no beneficiary is designated.

Benefit: A single sum payment of your accumulated contributions to the Plan with interest.

3) **Eligibility:** If death occurs after benefit has commenced.

Beneficiary: Designated beneficiary or estate, if no beneficiary is designated.

Benefit: Based on benefit elected at the time of retirement, if applicable. (See next section).

HOW BENEFITS ARE PAID OUT

The following forms of payment are available to you at retirement:

Life Annuity – This is the normal form of payment. (See Normal Retirement Benefit). Monthly payments are made for your lifetime and cease at your death.

Life Annuity With Minimum Number of Payments – A monthly pension payable in an adjusted level monthly amount payable for a period certain of 120 (not extending beyond the life expectancy of the Participant or the joint and last survivor expectancy of the Participant and his Beneficiary) and during the Participant's lifetime thereafter.

Joint and Surviving Spouse Annuity – A monthly pension payable during the Participant's lifetime in an adjusted level monthly amount with provision for continuing level monthly payments of 50% of such adjusted monthly amount for the lifetime of the Participant's Spouse.

Lump Sum Payment – A single lump sum payment is available provided the single lump sum payment is no greater than \$25,000.

WHEN YOU MAY LOSE YOUR BENEFITS

Both Dioceses and Participating Employers make contributions into the Plan solely for Participants and their beneficiaries. You should know, however, that there are ways in which you might lose a portion of your benefit.

If you leave, you will lose any portion of your benefit that is not Vested. You are fully Vested after 5 years of Credited Service or when you are eligible to retire under the terms of the Plan. You are always Vested in your own accumulated contributions, with interest.

The Plan has been established to provide long-term benefits for participants over an indefinite period of time. Naturally, it is intended that the Plan will continue, but if

circumstances prevent this, the Plan can be terminated. If this occurs, your Accrued Benefit as of the date of termination may be non-forfeitable to the extent that the Plan is funded.

The Plan is intended to qualify under the regulations issued by the Internal Revenue Service. If these regulations are changed in the future, it may be necessary to amend the Plan so that the Plan will remain qualified. The Plan has been maintained in compliance with these regulations since its inception. The plan can be changed at any time at your Employer's sole discretion.

WITHDRAWAL OF PARTICIPATING EMPLOYER

Any Participating Employer in the Plan may, at their discretion, withdraw from the Plan at any time. Benefits for those plan participants of the withdrawing Employer will cease accruing as of the effective date of the withdrawal.

PLAN ADMINISTRATION

An Administrative Committee appointed by the Bishops of Covington and Lexington administer the Plan and establish rules and procedures necessary for the Plan's operation in accordance with the Plan document. You may contact any member of the Administrative Committee if you have questions or need additional information. The Diocesan Offices maintain the contact information for Administrative Committee members.

The legal documents which govern the Plan are located in the Finance offices of the Dioceses and are available for your review during regular office hours.

HOW DO I APPLY FOR BENEFITS

Retirement – At least 60 days prior to your expected retirement date, contact the Plan Administrator at Nyhart (1-888-901-2090) to obtain an estimation of your retirement benefits. You will be furnished with the estimated benefits available and an application to apply for your retirement benefit.

After completing the appropriate forms, they must be returned to the Plan Administrator at Nyhart.

You must cease your contributions to the pension plan 30 days prior to your retirement date to avoid a delay in receiving your first check. Otherwise, your first retirement check may be delayed up to 60 days. You can obtain a card to cease withholdings from Nyhart by calling 1-888-901-2090.

Severance or Discontinue Participation – At the time you cease to be employed by a Participating Employer or such time you choose to no longer participate in the Plan (i.e. make contributions), contact the Plan Administrator at Nyhart (1-888-901-2090) to obtain information about benefits from the plan that are available to you presently or in the future.

If you cease working for a Participating Employer (or cease plan participation) after completing 5 years but less than 10 years of Credited Service, you may elect to receive your contributions with interest. However, if you do so, you **will forfeit your vested** rights to the employer-paid portion of your accrued benefit and you will **NOT** be allowed to rejoin the Plan any time in the future.

Be aware that once your employment with the Diocese ceases, you will no longer earn interest on your contributions.

SOCIAL SECURITY BENEFITS

The benefits that you receive from the Plan are in addition to any Social Security benefits for which you are eligible. Social Security benefits are not automatic; you must apply for them. To get more information on your rights to benefits, contact your local Social Security Office.

CLAIMS PROCEDURE

In order to receive a benefit upon retirement or termination from employment, you must submit an application form to Nyhart. Application forms can be obtained by contacting Nyhart.

If you feel you have a right to benefits that have not been paid, you may submit a written claim for benefits to the Administrative Committee at the address of the Diocese of Covington.

If your claim is denied (in whole or part), you will receive a written explanation from the Administrative Committee within 90 days of the receipt of your claim, that contains at least the following information:

- Specific reasons for the denial,
- Specific references in the Plan document which support those reasons.
- Additional information you must provide the Committee to support your claim, the reasons such information is necessary and the procedures for further review of your claim.

You have a right to appeal that denial by submitting a written application to the Administrative Committee within 90 days after your claim has been denied. You or your designated representative may review the Plan documents and submit written comments to the Administrative Committee.

The Committee will conduct a full and fair review of your claim and its denial. You will be notified of the decision within 90 days of receipt of your written claim for review. The final and conclusive decision will be in writing and will include the specific reasons and Plan references for the Administrative Committee's decision.
